

Yes We Care

CHANGING LIVES OF TEENS

CREATING TOMORROW'S LEADERS

“Yes We Care” Teen Leadership ‘Torch’ Training
SCHOLARSHIPS ARE AVAILABLE

The Torch Training is a motivational/leadership workshop for teens between the ages of 13 - 17 who have a sincere commitment to create extraordinary results in their lives.

This training gives teens the opportunity to discover and redesign the limiting beliefs they have about themselves and others. It's these self-imposed limitations that keep them from fully achieving their maximum capabilities.

This redesign allows young people to pursue their dreams and goals with new confidence, freedom and passion. Torch Training participants begin to create a solid foundation of powerful tools that will serve them for their entire life.

Each Torch Training takes on its own ‘personality’ to best meet the needs of the young people in attendance. Topics generally discussed include the following:

Improving Grades
Consequences of Actions
Achieve Dreams & Goals
Team Concept (Win/Win)
Forgiveness (Self & Others)

Relationships (Parents/Friends)
Integrity
Self-Control/ Self
Responsibility
Effective Communication

Expansion of Choices
